

"I NEVER, NEVER SPENT SUCH
an evening!!! My dearest dearest
dear Albert...his excessive
love and affection gave me feelings
of heavenly love and happiness,
I never could have hoped to have
felt before! He clasped me in
his arms, and we kissed each other
again and again! His beauty, his
sweetness and gentleness – really
how can I ever be thankful enough
to have such a Husband!...to
be called by names of tenderness,
I have never yet heard used
to me before – was bliss
beyond belief! Oh! This was the
happiest day of my life!"

Many accounts have been written on the great epic love
of Queen Victoria and Prince Albert. The
royal couple lived for twenty-one years in close harmony
and had a family of nine children, many of whom
married into the European monarchy. In 1840, Queen Victoria
married Prince Albert and recounted their passionate
wedding night in her diary.
